

## LIMITED WARRANTY

Driwood Moulding Company, Inc. warrants that its products, as defined by the AWI (Architectural Woodwork Institute), will be free from manufacturing defects which would render them unserviceable or unfit for normal, recommended use for a period of (90) days from the date of manufacture. Driwood Moulding Company shall have no liability under this warranty unless such woodwork has been handled, stored, finished, installed, and maintained in accordance with (1) established building practices, (2) the standards of the Architectural Woodwork Institute and (3) have only been subjected to normal use.

Natural variations in the color or texture of wood are not deemed to be defects. Warp and/or shrinkage/expansion of material in excess of AWI standards will not be deemed a defect unless all the above criteria have been accomplished.

Driwood Moulding Company shall have no liability nor provide warranties for products used in an exterior application or are exposed to uncontrolled humidity and/or temperature.

Driwood Moulding Company shall have no liability under this warranty for items manufactured or furnished by any other party and such items are subject to the original manufacturer's/supplier's warranty. The provisions of this warranty only apply to the physical products manufactured by Driwood Moulding Company.

Should an item of Driwood Moulding Company be found by our authorized representatives to be defective within the meaning of this warranty, Driwood Moulding Company at its sole discretion may either (A) repair said item, (B) replace said item with identical new woodwork in the same stage of fitting and/or finishing as was originally supplied by Driwood Moulding Company or (C) issue a sales credit not to exceed the original price of the item to be used against future purchases. Furthermore, Driwood Moulding Company shall have no liability under this warranty for removal of the defective item nor refinishing, repainting or installation of repaired/replaced items.
